The Seniors of 1974 had four great years together. The time from initiation to graduation was filled with fun, laughter, and good times.

After acting as Tarzan & Jane, Prince Charming, a target board; counting squares, eating hot peppers, and experiencing several other tortures, the 1971 Freshmen were admitted to F.H.A.

Sophomore memories included the decorating of the goal posts and dragging the float around the streets of Faith. Assisting in winning the typing trophy was a spring accomplishment.

As the Jolly Juniors, the class worked hard all year to earn funds to finance the decorating of the gym for the prom on the night of April 28, 1973.

The last year's highlights were Homecoming, the trip to Pierre and graduation. A packet of memories will be taken along and kept for the reunion.

Underclassmen

Happy Juniors Work

The class of "75" is one great big happy family! At the beginning of the school year, the juniors were kept busy with the building of the Royalty Float and Homecoming activities.

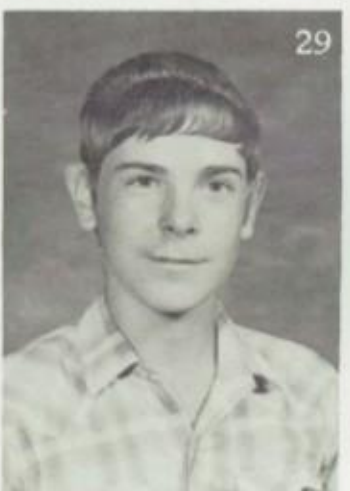

To finance the prom, the class managed the concession stand at the athletic events and served food at the Sale Barn Lunch Room.

Later in the year the Juniors worked on the annual prom for 1974 which was held on April 27. The theme of the prom was "The Yellow Brick Road." The band was the "Siprion Mountain."

The year was filled with fun, and the class of "75" is looking forward to another great year.

Sophomores Have Spirit

The Sophomores started the 1973-74 year right by proving that the group had ability to accomplish many feats. The class took top honors for the "Most Original," Homecoming float. The decoration of the goal posts was another Homecoming responsibility.

The sophomores sponsored a cake raffle, and contributed toward the new popcorn machine. The class hosted a Valentine party where Sweetheart, Pam Price, and Mr. Irresistable, Art Clifton, were crowned.

There was no doubt that the "Spirit of 76" was still alive.

Freshmen Enter F.H.S.

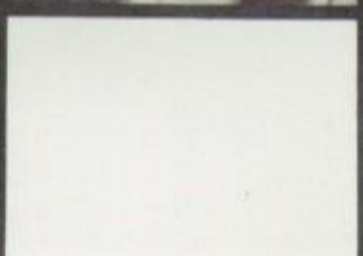

Thirty-six eager freshmen entered the halls of F. H. S. in the fall of 1973. The freshmen became involved in numerous extra-curricular activities.

Required courses taken were: English, algebra, biology and physical education. Other courses offered were typing, driver's education and home economics.

The freshmen float was awarded first place for the "Most Humorous" in the Homecoming Parade.

The class helped at the Conference Tourney by having a coat check.

Longhorns Tie for Second

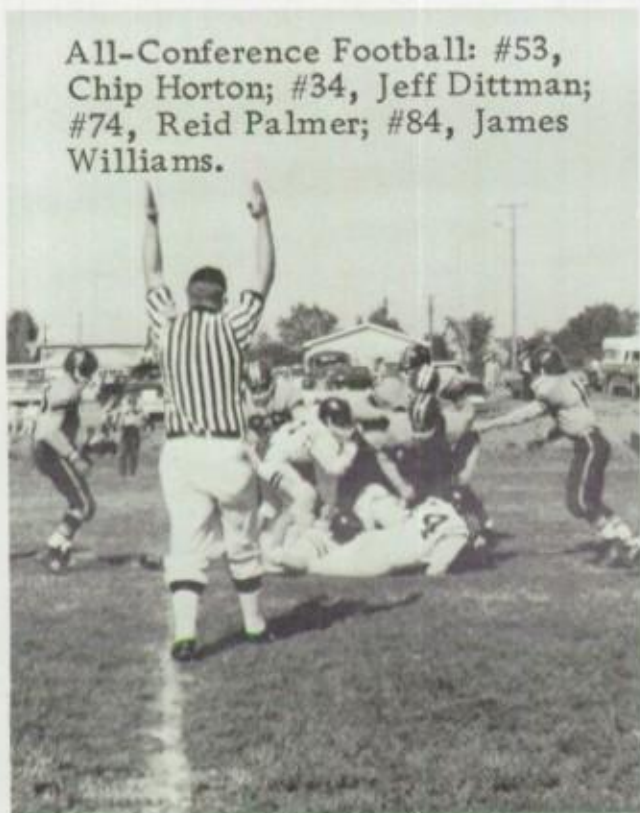

The Faith Longhorns ended the season with a 6-2 record and a tie for second place in the conference with the Buffalo Ranchers. Although lacking size and speed, the team made up for it with desire and constant hustle throughout the year. Through this hustle, four boys were named to All-Conference Football Team and four more boys were selected to the Honorable Mention list.

The Longhorns started the season by stumping archrival Dupree 34-6. The team then defeated the McLaughlin Tigers 14-0, the first time in eight years. The Longhorns luck ran out when they went up against the undefeated conference champions, the Timber Lake Panthers, and came back with a 42-6 loss. With moral slumping, the teams only other loss of the season came to N.W.L.A., 22-14. The Longhorns came back on the winning trail with a resounding homecoming victory over McIntosh 61-0. The gridders iced a victory over Bison 3-0, and went on to beat the Buffalo Ranchers 6-0, in a defensive-played game. The last victory of the season came over luckless Isabel Wildcats 56-0.

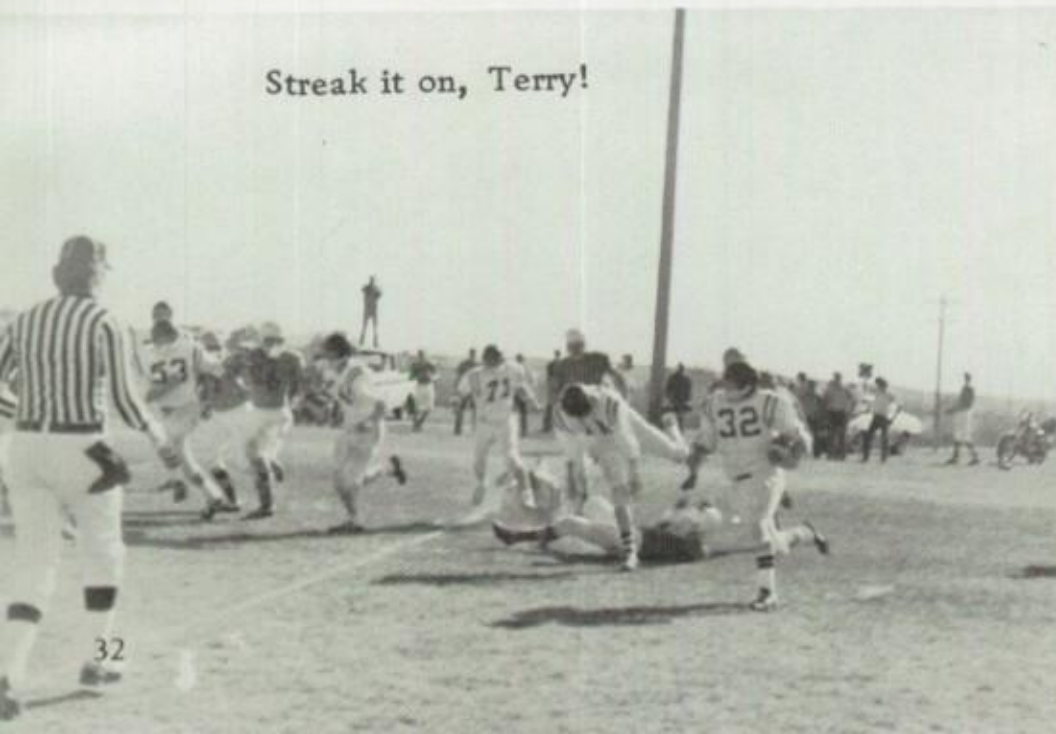

New scoreboard, a gift from BHSC, is being operated by Verdetta Thomas.

Cheering . . . jumping . . . practice . . .
 pep rallies . . . victories . . . defeats . . .
 joys . . . tears . . . headaches . . . pride
 . . . constant yelling . . . these are just a
 few of the characteristics of cheerleading.

No matter what the conditions are, the cheer-
 leaders must always put on a happy face and
 inspire fans to cheer the team on to victories.

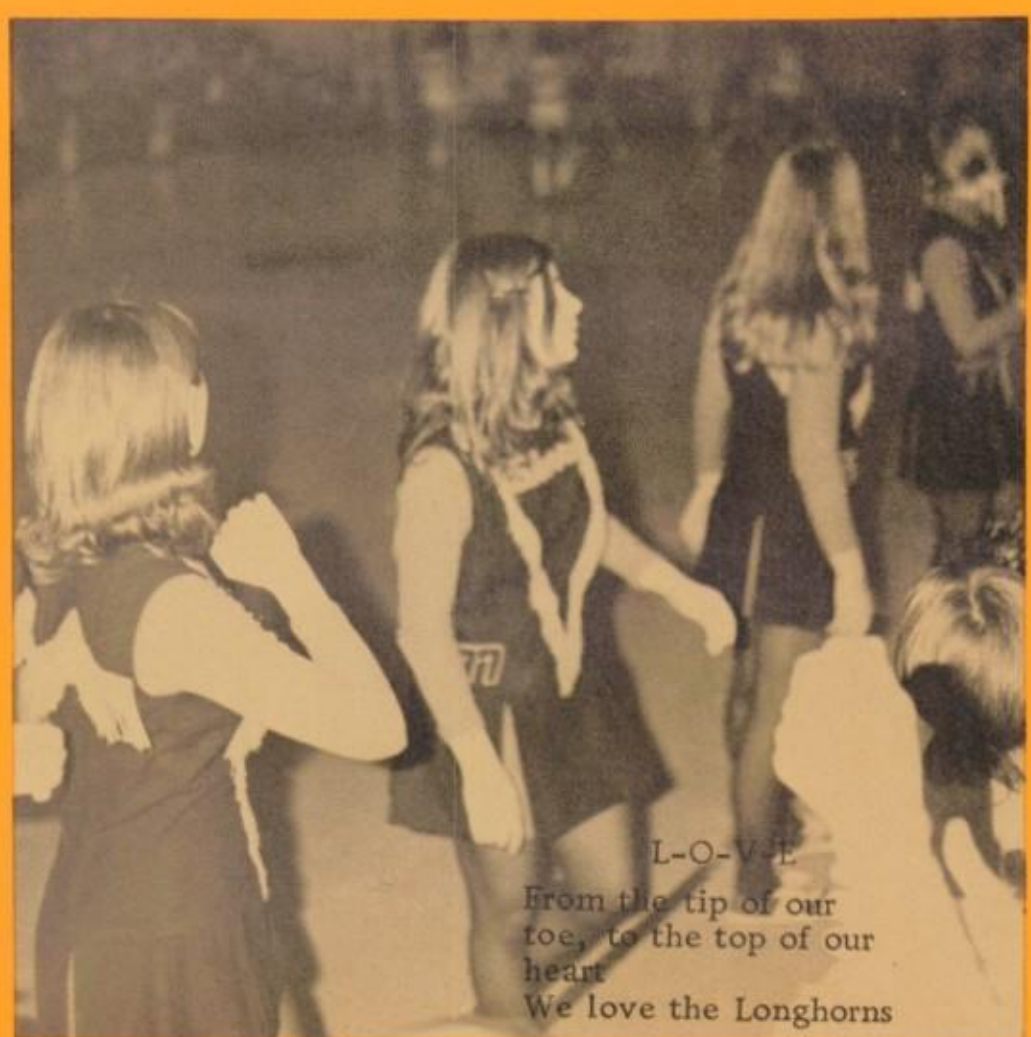

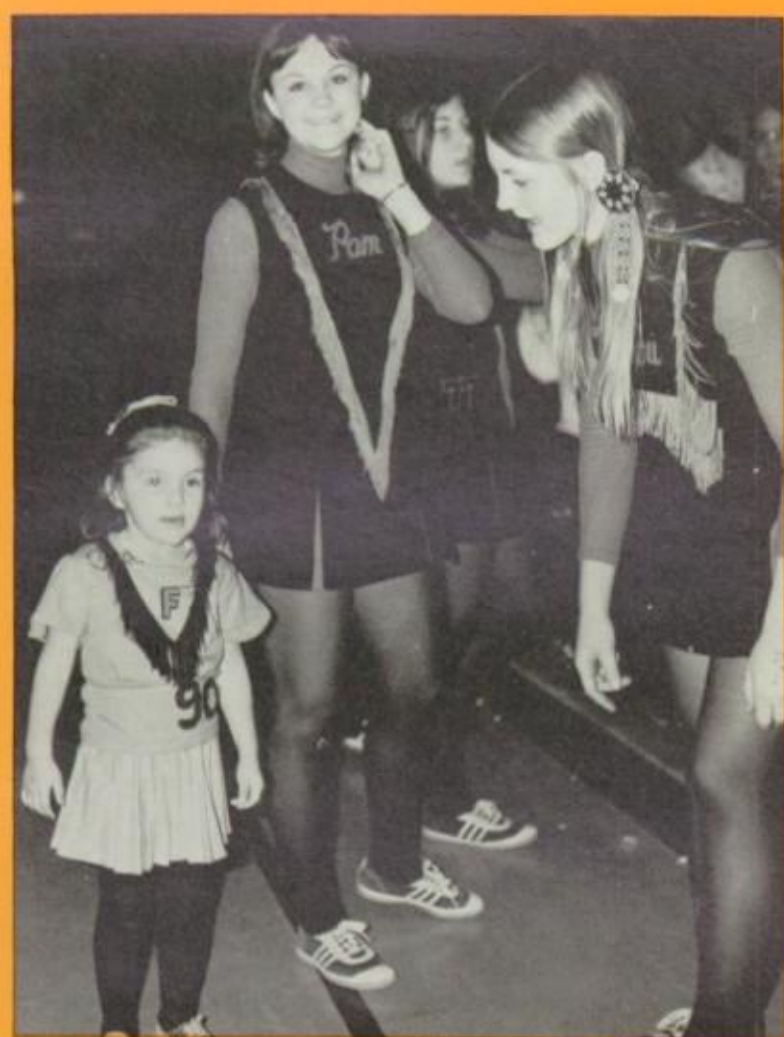

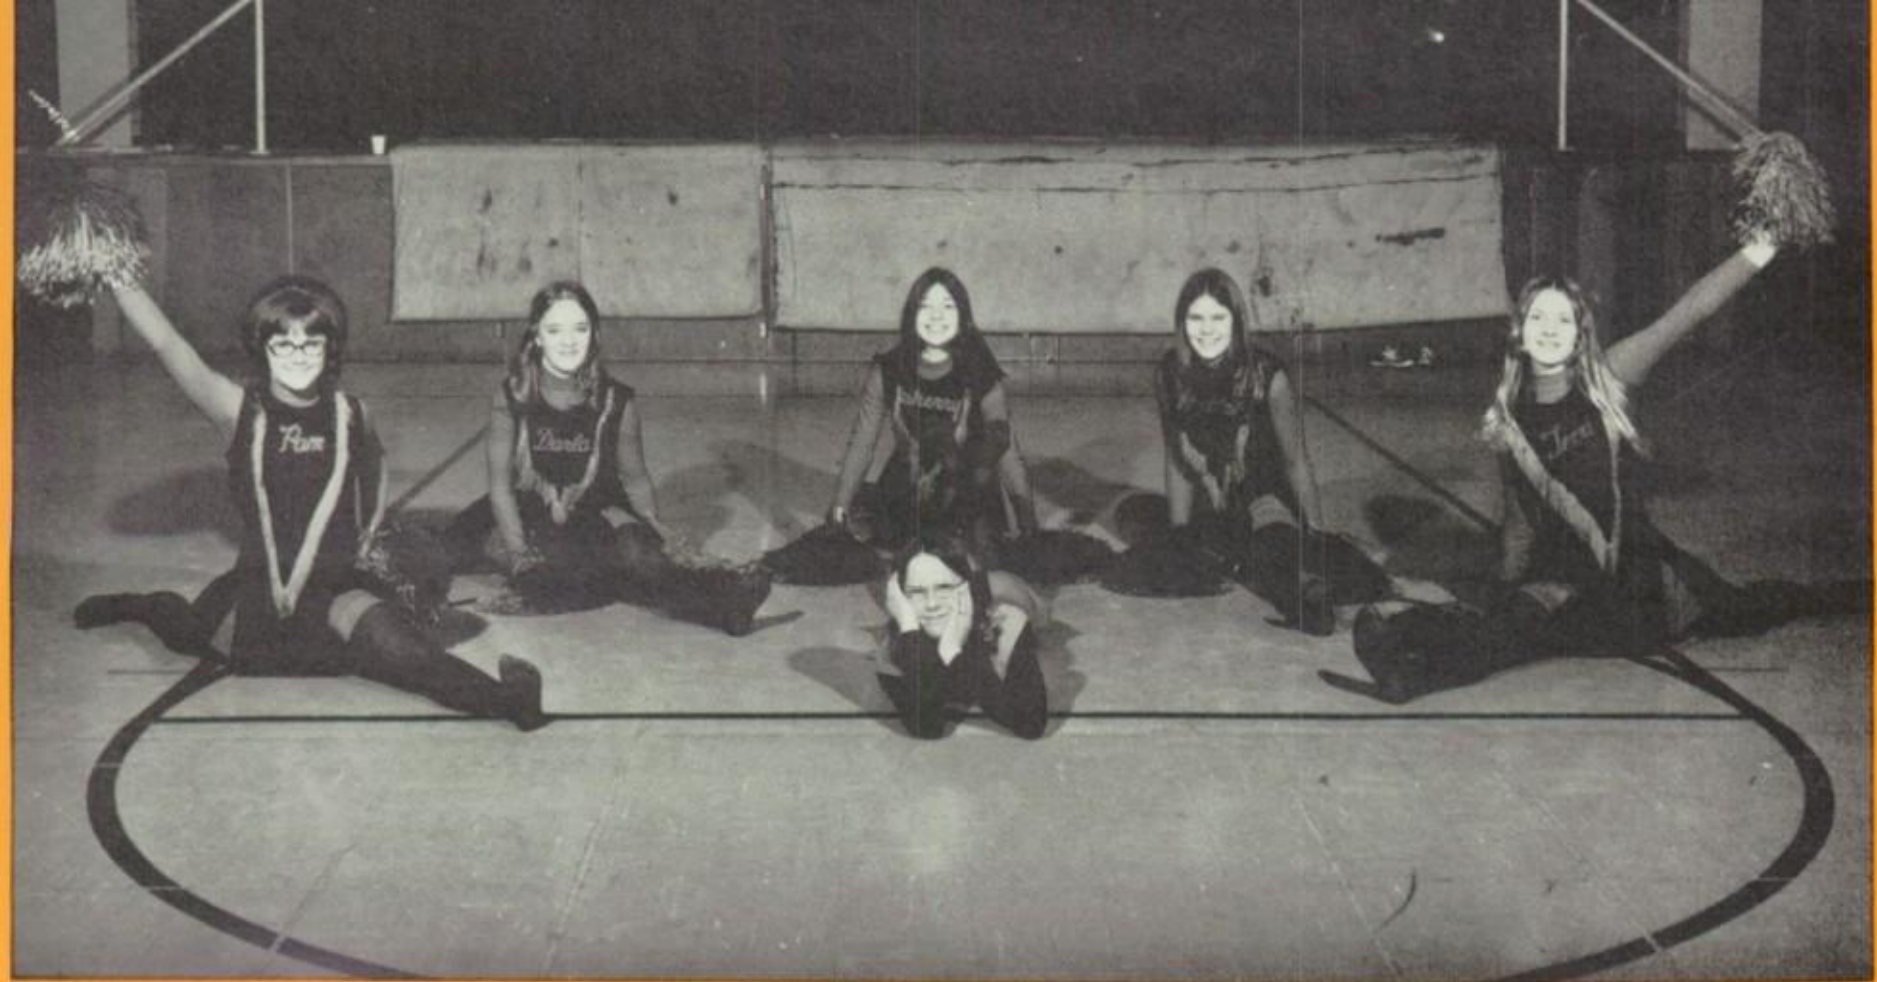

The "A" Cheerleaders PICTURED BELOW
 are: SECOND ROW: Patty Williams, Debbie
 Larson, Bobbi Burton. FIRST ROW: Toinett

1-2-3-4-5-Longhorns will take no jive,
 6-7-8-9-10- Longhorns will do it again!

WESTERN MOTOR Faith, South Dakota

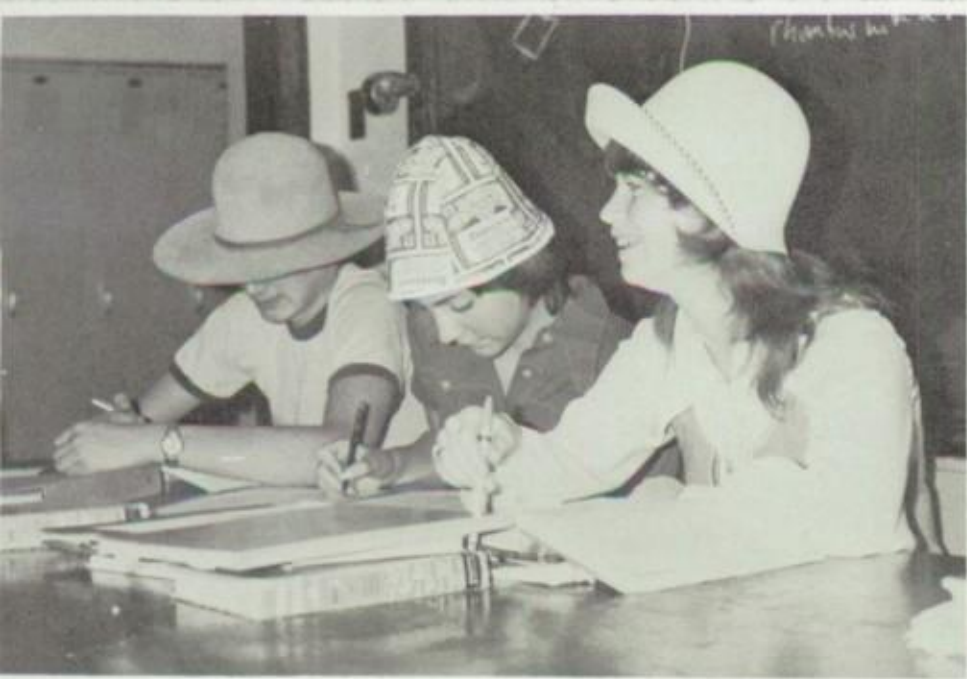

The "B" Cheerleaders started the year with a bang--Terri broke her ankle. Through troubled times alternate Kelly filled in. As Darla was jumping up and down saying, "When you're hot, you're hot," Pam and Sherry said to themselves, "Self get me up, just one more time." And Debbie was thinking, "Why can't this be Timber Lake." Long nights were spent making signs to urge the Longhorns to victory. Beat by beat, hour by hour, flash by flash, and kick by kick a flashlight routine was prepared for the Conference Tourney. (Adding a little spark in the dark.) Amy Doolittle, mascot.

Drill Team 1974

Three routines were performed by the Drill Team to the music of "Two Divided by Love," "Crocodile Rock" and "Little Willy." Sonja Gebhart was the sponsor for the girls.

Hanging spirited signs before each game of football and basketball was the task performed by the pep club members. The pep club sold sold beanies to raise money.

Conference

Champions, 1974

The Faith Longhorn cagers reeled off the best record in the school's history, 20-4. Winning the Conference race in a three way tie with Timber Lake and Buffalo and also winning the Conference Tournament (another first in the school's record) spelled success for Coach Stanford and the team.

After pulling an upset by 2 points over eighth rated McLaughlin in the Holiday Festival, the team jumped into the state rankings and finally ended the season in thirteenth place in the polls.

The team, led by senior all-conference members J. D. Williams and Dennis Baumeister who averaged 18 points and 12 points respectively, missed Region or State hopes by losing to Lemmon in the District semi-finals.

Early Highlight of the Year

Homecoming was filled with smiles, tears, and excitement. Starting the events was the beautiful suspense filled coronation. After the final recognition, the '73 Queen Ramona Fisher and King Greg Fisher crowned the '74 Royalty, Queen Toinett Fisher and King James Williams, who were to reign through the year of 1974.

The skits were humorous and the traditional burning of the "F" and the snake dance ended the day of October 5.

The 6th day of October was reserved for the Homecoming Parade in the morning and the afternoon football game with McIntosh. We had a 61-0 victory to top the day. The alumni banquet and dance with the music by "Friends and Neighbors" was the last of the memories for the Faith High School 1973 Homecoming.
